For over a decade, the Funding 4 Education leasing program has been helping schools of all shapes and sizes get the equipment they need, when they need it. Working exclusively within the education sector our flexible leasing program is tailor-made to reflect your teaching environment enabling your school to get the equipment it needs rather than what the budget permits, allowing you to deliver the ultimate teaching experience.

As our client, you can expect unrivalled, impartial advice all geared to ensuring that you achieve your desired solution, whatever the equipment may be, within your budgetary constraints.

WHAT FUNDING 4 EDUCATION CAN DO FOR YOU, YOUR SCHOOL OR COLLEGE

- ✓ Passionate about developing long term relationships built on reliability and trust... And delivering a flexible service tailor-made for you.
- ✓ Your school can immediately benefit from having new equipment today and not start paying until the next budget year with our deferred payment option.
- ✓ Choose how often you make payments to suit your budget.
- ✓ All-inclusive packages including installation and maintenance services.
- ✓ Maximise your budget without having to compromise your learning environment.
- ✓ Budget Underspend: Payments can be structured to take account of larger (or smaller) initial rentals to account for underspend.
